MEMORANDUM FOR SEE DISTRIBUTION

Subject: Transportation for Students Attending Training at the National Guard Professional Education Center (PEC)

1. PEC provides a full range of transportation services for students and guests. PEC has a fleet of GSA vans, shuttles, and busses which provide scheduled transportation to and from the Little Rock National Airport and PEC campus. A student or guest arriving or departing outside the scheduled airport runs may arrange a special pickup or delivery by calling PEC Transportation at (501) 212-4869.
2. PEC also provides transportation for students weeknights and weekends to local area malls, restaurants and the Little Rock Air Force Base. Transportation for class outings can be arranged through the Transportation Supervisor at (501) 212-4869.
3. The National Guard Bureau capitalizes on savings by funding the PEC GSA fleet and drivers and precluding need for rental cars for PEC students. As such, rental cars are not authorized to be paid out of PEC funds. A State or Territory may authorize rental cars for students under their fund cite.
4. Questions regarding transportation or funding should be directed to Mrs. Pat Threet, PEC Resource Manager, at DSN 962-4650 or Comm. (501)212-4650.
